COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
CDBG PROGRAM YEAR 2016 ~ Award Certificate

VILLAGE OF BROOKFIELD

$200,000

Project Number: 1606-004

Project Title: Capital Improvement: Infrastructure: Street Improvements

Awarded Project Description:

The homes in this area are subject to basement flooding from backups of the combined sewer system which is costly to repair. The project will improve the deteriorated street pavement, repairs to the combined sewer system, and the installation of a flow restructure in each drainage structure to help reduce the frequency of basement backups.
