Age appropriate skills are taught as part of a play based centered curriculum. Attendance for the entire year is not required, but is strongly encouraged so that the child can benefit from the entire program.

Children must be 3 years of age by August 31, 2015 for the 3 year old program and 4 years of age by August 31, 2015 for the 4 year old program. All children must be toilet trained for this program.
