Part 4: Reminders

A **COPY** of the property's **PLAT OF SURVEY** is **REQUIRED**. Please indicate fence location on the submitted plat.

Fences **MUST** be installed inside the property line and constructed with the finished side facing outwards.

Fence post holes **MUST** be three feet (3') deep.

All fences **MUST** adhere to setback requirements.

Back-to-back fences are **NOT** permitted. It is the responsibility of the homeowner and his or her installer to verify that fences will only be installed along a property line where a fence does not already exist. If there is an existing fence along or within a neighboring property, a letter written from the neighboring property owner stating that the fence may be removed is **REQUIRED**. Fences installed in violation of this provision will be required to be removed.

It is the responsibility of the homeowner and the installer to erect the fence on the homeowner's property. The Village of Brookfield is not responsible for any encroachments onto the neighboring homeowner's property. If there is any work being performed on a neighboring property, a letter is **REQUIRED** from the neighboring property owner.
