Brookfield residents,

In light of recent events in Dallas, Texas and across the country I want to take a moment to express my sincere gratitude for the outpouring of support for our Police Department, and my officers. The calls, emails and kind posts on social media have been much appreciated during this difficult week for our profession, and especially today as we all mourn the 5 Officers who were killed in this senseless act of violence.

Our thoughts and prayers go out to the families of those fallen Officers, as well as those who were injured during this tragic event. We have a diverse community here that we are proud to serve and rest assured that we are committed to preserving the peace here at home and keeping us all safe, regardless of our origins or backgrounds.

Thank you as always for having our backs. I can tell you that it means a lot to each one of those officers, my civilian staff and every employee of the Village who are here working through these difficult times in our country's history. Once again when tragedy strikes, whether it's here or somewhere else, Brookfield steps up and comes together. That's just what we do. It makes it a pleasure to live here, work here and serve here.

Sincerely,

A handwritten signature in blue ink that reads "James L. Episcopo".
