

St. Jude Children's Research Hospital

Brookfield PD Beards & Badges

Each year, during the month of November, Brookfield police officers grow beards in order to raise money, and awareness, for a selected charity. This year, the department has selected St. Jude Children's Research Hospital.

We've also partnered with our friends Drew Walker and US*99, the Chicago country radio station that's raised over \$25 million dollars for St. Jude in the last 30 years, as they gear up for their annual St. Jude radiothon in December.

Please support us this month with a donation, big or small, to this wonderful organization! Together, we can make a difference.
