

CELEBRATING 27 YEARS OF SERVICE

2020 Family Project N.I.C.E.

Neighbors Involvement in a Clean Environment

Saturday, October 10, 2020

8:30 - 12:00

Come be a part of one of the best community events of the year--updated for 2020 to feature Family (defined as people who live together and individuals; not groups or organizations).

This year, we are requesting that every family unit pre-register. To pre-register, please visit the Brookfield Beautification Commission link on the Village website at <https://brookfieldil.gov/local-government/bbc/>, download and fill out the required waiver, and return them via e-mail to BrookfieldBeautification@gmail.com or in person to Kathryn Angell at the Village Hall. Please provide a legible e-mail address or phone number, and we will contact you with a Project NICE location, what work is needed, supplies provided.

8:30 a.m. Please physically distance near Kiwanis bandshell

We will have any necessary lawn or garbage bags and t-shirts. Please be prepared with your own gloves. If tools are needed, we will arrange that with you ahead of time.

Volunteers under 18 years of age must be accompanied by a parent or guardian.

It's good to be N.I.C.E.
