EARLY CHILDHOOD

Tots Prep 2020-2021 School Year

Our Tots Prep program is for children ages 3 and 4 years old. The curriculum is designed to develop the social, emotional and cognitive development of each of our early learners. All children will participate in activities via indoor and outdoor exploration. Both of our facilities host a park and/or large green space. We use learning tools like Jolly Phonics, a synthetic phonics method of teaching the letter sounds in a way that is fun and multi-sensory, enabling children to develop toward becoming fluent readers. While we are a play-based program, we strive to follow standards and benchmarks in curriculum instruction. Program runs September-May and closely follows a school calendar. *children enrolled in Lunch Buddies will stay with Supervising staff, enjoying some extra play time until the lunch program begins.

Children must be 3 & 4 years of age for their respective programs by September 1, 2020. All children need to be toilet trained.
