

Since some of the traditional ways in which we celebrate Halloween do not allow you to minimize person-to-person contact, the Village of Brookfield would like to share information on how to take part in this holiday in a manner that reduces the risk of spreading COVID-19. Regardless of how you choose to celebrate Halloween it is important to keep the following in mind:

TRICK OR TREATERS:

- ❖ Stay home if sick
- ❖ Trick or treat with people you live with
- ❖ Remain 6 feet apart from people not in your household
- ❖ Wear a face mask covering BOTH your mouth and nose (even under/over your Halloween mask)
- ❖ Hand sanitize (with sanitizer containing at least 60% alcohol) frequently while out, especially during key times like before eating or after coughing/sneezing

PARENTS:

- ❖ Stay home if sick
- ❖ Talk with your children about safety and social distancing guidelines and expectations
- ❖ Guide children to stay on the right side of the road always to ensure distance
- ❖ Carry a flashlight at night and ensure your children have reflective clothing
- ❖ Wear a face mask covering BOTH your mouth and nose
- ❖ Wash your hands as soon as you return home
- ❖ Inspect candy

HOMEOWNERS:

- ❖ Position “Trick-or-Treaters Welcome” Sign in the front window or door of your residence
- ❖ Do not hand out candy if you are sick
- ❖ Wear a face mask covering BOTH your mouth and nose
- ❖ Use tape to mark 6-foot lines in front of home and leading to driveway/front door
- ❖ Position a distribution table between yourself and trick or treaters
- ❖ Distribute candy on disinfected table to eliminate direct contact
- ❖ Wash hands often
